## POSTAL REGULATIONS.

Regulations made by the Governor in Executive Council under the Post Office Ordinance, Cap. 108.

### SMALL PACKETS.

1. The following shall be inserted as Regulation 43a of the Postal Regulations, 1927 :—

The prepaid rate of Postage on Small Packets for all places abroad shall be :—

|  |      |      |      |
|--|------|------|------|
| For the first 8 ounces or fraction thereof       | .... | .... | 6d.  |
| For each additional 2 ounces or fraction thereof | .... | .... | 1½d. |

The maximum dimensions of small packets are 18 inches by 8 inches by 4 inches, or, if in the form of a roll, 18 inches in length by 6 inches in diameter.

The limit of weight is 2 lb.

Small packets are intended to afford facilities for the transmission of small articles of merchandise in the letter mails, and they may be sent to such places as are mentioned in the London Postal Guide under the heading "Small Packets."

Dutiable articles may be enclosed in small packets ; but otherwise the prohibitions applicable to the letter post apply also to the service of small packets. In addition, the following are specially excluded from transmission in small packets :—

Letters, notes or documents having the character of actual and personal correspondence (this prohibition does not apply to open invoices, reduced to the simplest form, the address of the article, and the sender's address) ; coin ; bank notes ; currency notes ; negotiable instruments payable to bearer ; platinum, gold or silver manufactured or not ; precious stones ; jewels and other valuable articles ; postage stamps, whether obliterated or not.

Small packets containing dutiable articles are subject to the Customs regulations in the country of destination ; and a postal fee for Customs clearance may be charged on each packet on which Customs Duty is levied. The fee for the clearance of such packets entering this country is fixed at 3d.

Small packets are subject to the regulations laid down for samples of merchandise as regards form, make up and packing (*e.g.*, they must be sent in such manner as to be easy of examination). In addition, the name and address of the sender must be shown on the outside of the packet, and each packet should be conspicuously marked : "Small Packet" in the left hand top corner.

A green label giving particulars of the contents for Customs purposes, such as that already used on letter packets containing dutiable articles for places abroad must be affixed to the address side of each packet ; and in addition, if the country of destination so requires, one or more ordinary non-adhesive Customs Declaration Forms must be enclosed in, or attached to, the packet.

Small packets may be posted in a posting box or handed over the counter. They may be registered, but not insured.

**POSTAGE ON LITERATURE FOR THE BLIND.**

2. No. 44 of the Postal Regulations, 1927, is hereby revoked, and in lieu thereof shall be read the following :—
