No. —1940.

I ASSENT,

Governor.
, 1940.

A BILL intituled
AN ORDINANCE to amend the Post Office
Ordinance, 1938.

[, 1940.]

Commencement.

ENACTED by the Governor of Trinidad and Tobago with
the advice and consent of the Legislative Council
thereof.

1. This Ordinance may be cited as the Post Office Short title.
(Amendment) Ordinance, 1940, and shall be construed Construction.
as one with the Post Office Ordinance, 1938, hereinafter No. 23-1938.
referred to as the Principal Ordinance.

No. .

Post Office.

1940.

Section 39 of
the Principal
Ordinance
replaced.

2. Section 39 of the Principal Ordinance is hereby repealed and replaced by the following:—

Execution of
instruments.

39. Any instrument purporting to be executed by or on behalf of the Postmaster-General for the United Kingdom shall, until the contrary is proved, be deemed to have been so executed without proof of the official character of the person appearing to have executed the same.

Section 57 of
the Principal
Ordinance
amended.

3. Section 57 of the Principal Ordinance is hereby amended by substituting for paragraph (a) of subsection (1) the following—

(a) make, knowingly utter, deal in, or sell any fictitious stamp, or knowingly use for the purpose of the Post Office any fictitious stamp; or

Section 59 of
the Principal
Ordinance
replaced.

4. Section 59 of the Principal Ordinance is hereby repealed and replaced by the following—

Penalty for
wrongfully
writing on

59. Every person who knowingly writes upon or marks the cover or the contents of any postal packet in any manner contrary to the laws and regulations relating to the Post Office shall incur a fine of fifty dollars.

Section 71 of
the Principal
Ordinance
amended.

5. Section 71 of the Principal Ordinance is hereby amended by substituting the word "without" for the word "within" in the last line of subsection (1).

Passed in Council this _____ day of _____,
in the year of our Lord one thousand nine hundred and forty.

Clerk of the Council.

OBJECTS AND REASONS.

The main object of the Bill is to make certain slight modifications to Ordinance 23 of 1938.

Clause 2 replaces Section 39 of the Principal Ordinance and conforms with the existing English practice: instruments are now signed for and on behalf of the Postmaster-General and not as hitherto by a Secretary of the Imperial Post Office in the name of the Postmaster-General.

Clause 3 replaces and amplifies Section 57 (1) (a) of the Principal Ordinance by making it an offence for a person knowingly to use for the purpose of the Post Office any fictitious stamp.

Clause 4 re-enacts Section 59 of the Principal Ordinance omitting the first part thereof, which is already provided for in Section 55.

Clause 5 corrects an obvious error.

NOTICE TO IMPORTERS.

Quota—Imports of Foodstuffs from the
United Kingdom.

In order to regulate and control by Quota imports of foodstuffs from the United Kingdom, importers are requested to submit to the Secretary, Board of Control, Old Post Office Buildings, St. Vincent Street, not later than the *31st March, 1940*, a statement showing the amounts (quantity) of each of the duty paid goods imported by them from the United Kingdom, during the period—1st September, 1937, to 31st August, 1939, month by month.

The statement should be classified under the three main headings: Food, Drink, Tobacco, and the goods imported, classified under those headings mentioned in accordance with the return of imports published in the Report of the Customs and Excise Department, for the year 1938 (Council Paper 58 of 1939).

The necessary forms for furnishing the return called for may be obtained on application at the offices of the Board of Control.

Importers are requested to state the amount of their purchases in units in accordance with the Units of quantity shown in the Customs Import & Export List.

Merchants who obtain their goods locally from Distributing Agents, and who are desirous of having a quota allotted to them, should also render a statement of their purchases on the forms provided, but in such cases, an endorsement at the head of the form should be made to clearly indicate that the return relates to goods duty paid by Distributing Agents from whom they have obtained their goods.

Separate returns should be made for goods purchased locally as distinct from those imported direct.

It is requested that particular care should be taken in the preparation of the return which will form the basis on which quotas against monthly requirements of each importer will be allotted to the trade.

It will be assumed that importers who fail to render the return asked for above, do not wish to participate in the quota to be allotted to imports from the United Kingdom.
